FABIO STAIANO

DESIGNER & FRONTEND DEVELOPER

Geek, tech addicted, videogames and tv series passionate. I love learning always something new and I'd wish I could freeze time to learn even more.

Company Partner

— 2016 - 2018

Web Designer / Digital Specialist

— 2013 - 2018

Web Designer / Digital Specialist

— 2010 - 2014

- **Packt Publishing**
I wrote a book titled “Designing and Prototyping interfaces with Figma” for Packt Publishing, released in March 2022. Find it on Amazon!
- **Figma**
Selected as Figma Community Advocate, a brand ambassador who runs the local official Community for Figma.
- **ILAS Designers School**
Teaching design and Adobe tools at ILAS Designers School, an Adobe Authorized Training Center based in Naples.
- **Freelance**
Working on several projects as a freelance, designing and building responsive websites.
- **The Guru Lab**
Teaching how to create an interactive interface prototype, from wireframing to user testing, to polishing the interfaces making them look outstanding.
- **Geko s.a.s.**
After becoming company partner, I’ve started structuring several events in collaboration with Adobe, Procreate and Behance.
- **Geko s.n.c.**
Managing projects cycle management, from client meetings to design, to fully working websites for jewelries, hotels, real estates and many more.
- **Capri Watch**
I helped the brand to build its digital presence from ground up, with website, social pages and online marketing.

EDUCATION

Pier Program	2020 - 2022
Design & Frontend Development	2019 - 2020
New Techs applied to Art	2010 - 2013

- **Apple Developer Academy**
Selected for "The Pier", an Apple Academy program where you work with both partner and personal projects.
- **Apple Developer Academy**
A professional path built for selected students to specialise in app design and development.
- **Accademia di Belle Arti di Napoli**
A sperimental path made to provide all of the basics art knowledge, plus several digital tools for creativity and design.
